We would like your feedback on two suggestions that were discussed at our monthly meeting:

Would an online membership form with payment through PayPal or credit card be a convenient option that you or others could use to join or renew club memberships? Yes _____ or No _____

For the annual membership meeting held in November each year, would you rather have it on a Saturday afternoon instead of the Monday evening meeting at 7PM? Thought with doing this is our members who have trouble seeing to drive at night would be able to attend to meeting during the daylight hours.
